PROFESSIONAL EXPERIENCE

Istogram. Athens — *Front End Developer*

June 2021 – PRESENT

I use technology and tools in order to solve coding problems and bring solutions that can improve the experience of the user on the web.

I use front end technologies (HTML5, CSS3, Vanilla Javascript) and front end frameworks (Vue.js, Nuxt.js)

Teleperformance Hellas. Athens — *Customer Agent*

June 2019 – PRESENT

I deliver solutions everyday to customers. I use empathy and proplem

solving skills to interact with other people.

Self employed. Athens - *Freelancer Illustrator*

MONTH 2011 - MONTH 2018

I've created animation and illustration projects to deliver creative

solutions for client needs. I applied graphic design and illustration.
